

Adhesive Spray

Introduction

WEICON Adhesive Spray is the clean, quick and easy-to-use adhesives in the spray can. It is particularly suitable for large-surface bonding of light materials to themselves and among each other in craft, model making, do-it-yourself, hobbies and household uses.

Universal in use. For bonding light materials to themselves and among each other.

Applications:

- Bonding of paper, cardboard and paperboard, wood and thin veneers, cork, leather, textiles, felt
- Flexible foam plastics, e.g. moltoprene
- Rubber and expanded rubber
- Plastic foils (except PVC and polyethylene)

Especially suitable for rigid expanded plastics*, e. g. polystyrene

* For some expanded plastics, the compatibility must be checked prior to use.

Technical data

Basis	synthetic rubber
Processing temperature	+ 10 to + 30 °C
Evaporation time	5 to 15 minutes
working time	maximal 30 minutes
Temperature resistance	- 20 to + 65 °C
Coverage per can	about. 4 m ²

Processing

1. Shake can before use. Surfaces must be dry, clean and free of grease. Spray on one surface at about 15 to 30 cm distance. With porous materials, Adhesive Spray should be applied on both surfaces.
2. Depending on surface characteristics and ambient temperature, let the spray dry for 1 - 15 minutes until the adhesive is no longer stringy.
3. Position the parts and join them with strong pressure.

Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and

responsibility, this information is provided without any obligation.

We do guarantee the continuously high quality of our products.

However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended.

A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
